### Requirements

TechnoServe works with enterprising people in the developing world to build competitive farms, businesses and industries. We are a nonprofit organization that develops business solutions to poverty by linking people to information, capital and markets. Our work is rooted in the idea that given the opportunity, hardworking men and women in even the poorest places can generate income, jobs and wealth for their families and communities. With more than four decades of proven results, we believe in the power of private enterprise to transform lives.

The Horticulture Project being an arm of Technoserve Nigeria is responsible for ensuring that Fruits & Vegetables are available and accessible for low income earners in Delta and Kano State.
