

Att. to participants of the procurement procedure

PROCUREMENT NOTICE

1) The form and method of procurement procedure: Public one-stage request for proposals in electronic form without pre-qualification selection;

2) The procurement is conducted in accordance with the Unified Industry Procurement Standard (Procurement Regulations) of the State Atomic Energy Corporation Rosatom with amendments approved by the resolution of the Supervisory Board of Rosatom State Corporation (Minutes No. 202 of 25.12.2024,), taking into account Orders of the Director General of Rosatom State Corporation No. 1/691-P of 10.07.2019 (as amended by the Order No. 1/1204-P of 03.07.2024), dated 21.10.2024 No. 1/1981-P, taking into account the resolution of the expert team regarding review of the category strategies of the Engineering Division of Rosatom State Corporation and insofar as not contradicting the Procurement Policy annexed to the concluded EPC Contract for the design, supply and construction of PAKS II NPP Power Units 30.08.2022 in Hungary No. 40/7570-D dated 09.12.2014 between the Customer and Paks II Private Limited Liability Company (located at 1 Gagarin Street, Paks, 7030, hereinafter referred to as Paks II LLC).

The procurement is not regulated by the Federal Law No. 223-FL dated July 18, 2011 "On procurement of goods, works and services by certain types of legal entities".

3) Subject matter of procurement: the right to enter into a contract for supply of filters for the construction of PAKS NPP power units 5,6 (Lot No. 795261-Paks5,6)

4) Customer: Atomstroyexport Joint Stock Company (ASE JSC).

Location: 3 Svobody Square, Nizhny Novgorod, 603006

Postal address: 3 Svobody Square, Nizhny Novgorod, 603006

Email: post@ase-ec.ru

5) Tendering Authority: Tendering Authority: Atomkomplekt Joint-Stock Company (Atomkomplekt JSC).

Location: 25 Bolshaya Polyanka Street, Building 1, Moscow, 119180

Postal address: 25 Bolshaya Polyanka Street, Building 1, Moscow, 119180

Contact person: Kim Daria, tel. (499) 949-47-40 ext. 31-50, fax: (499) 949-47-36,
E-mail: info@atomkomplekt.org.

6) Number of lots: 1 (one).

7) Subject matter of the contract: Supply of filters for the construction of PAKS NPP power units 5,6 (Lot No. 795261-Paks5,6)

Supply delivery term: in accordance with the specifications (Appendices Nos. 1.1, 1.2 to Part 3 – Draft Contract of Volume 1 of the procurement documentation).

Delivery location: in accordance Part 3 “Draft Contract” of Volume 1 of the procurement documentation.

NUTS code (Nomenclature of Units for Territorial Statistics) for the main delivery and work location: HU23303.

Scope of supply: all necessary information is given in Volume 2 of the procurement documentation and in Specifications (Appendices Nos. 1.1, 1.2 to Part 3 – Draft Contract of Volume 1 of the procurement documentation).

CPV (Common Procurement Vocabulary) code:

42514000-2 Machinery and apparatus for filtering or purifying gases

42514300-5 Filtering apparatus

42514310-8 Air filters

42514320-1 Gas filters

42912000-2 Liquid filtering or purifying machinery and apparatus

42912100-3 Machinery and apparatus for filtering liquids

It shall not be allowed to offer partial supply.

8) Payment terms: in accordance with Part 3 – Draft Contract of Volume 1 of the procurement documentation).

The form and all terms and conditions of the draft contract (Part 3 – Draft Contract of Volume 1 of the Procurement Documentation) are binding. No counter proposals for draft contract is allowed.

Advance payments may be reduced or completely excluded.

However, proposals to correct grammatical and technical errors, if identified by the bidder in the draft contract (Part 3 Draft Contract of Volume 1 of the procurement documentation), shall not be considered counter-proposals to the wording of contract conditions.

9) Initial (maximum) contract price:

For residents of country of construction:

EUR 26 404 743,14 with VAT (27%), including:

- equipment price is EUR 26 379 343,14 with 27% VAT;
- installation supervision service is EUR 25 400,00 with 27% VAT.

For residents of Russian Federation, European Union and third countries:

EUR 20 791 136,34 with VAT (0%), including:

- equipment price is EUR 20 771 136,34 with 0% VAT;

- installation supervision service is EUR 20 000,00 with 0% VAT.

EUR 20 791 136,34 without VAT, including the following:

- equipment price is EUR 20 771 136,34 without VAT;
- installation supervision service is EUR 20 000,00 without VAT.

Initial (maximum) prices per product unit are given in Appendix 1.1 to Part 1 of Volume 1 of procurement documentation as a separate file.

The bidder's contract price, price per product unit offer, including the price of equipment, installation supervision services, shall not exceed the initial (maximum) contract price, price per product unit, including the cost of equipment, installation supervision services, in the basis of the price offered by the bidder.

The contract price shall include all costs associated with the contract performance as specified in the draft contract (Part 3 – Draft Contract of Volume 1 of the Procurement Documentation).

The contract price and unit price justification can be found in Volume 2 – Technical Section of the Procurement Documentation.

10) The official language of procurement: Russian and English.

The bid prepared by the bidder and all procurement-related correspondence and documents exchanged between the bidders and tendering authority shall be made in any of the official languages of the procurement: Russian or English (at the discretion of the bidder). Bid documents prepared in other languages shall be accompanied by a translation into Russian or English. Documents in other languages not accompanied by a translation into Russian or English shall be deemed not submitted and the information specified in such documents shall not be taken into account during the bid review. Responsibility for the accuracy of the translation into Russian or English shall be borne by the bidder. The procurement bid and the documents included in it in Russian or English shall prevail over the bid and the documents included in it in other languages.

The tendering committee reviews documents in Russian and English.

11) Procurement currency is EUR.

The Russian Federation resident is entitled to choose the currency of contract to be concluded: Russian ruble or euro (Form 6 of section 5 of Part 1 of Volume 1 of procurement documentation).

If the contract is concluded in Russian rubles, the conversion will be made into the Russian ruble through EUR at the official exchange rate of the Central Bank of the Russian Federation on the date of IMP calculation.

Exchange rate on the date of calculation 15.08.2025: EUR 1 - RUB 93,0588.

12) Procurement bid bond:

– Money or an irrevocable independent guarantee issued by a guarantor meeting the requirements for bid securing guarantors specified in Clause **Ошибка! Источник**

ссылки не найден., Section Ошибка! Источник ссылки не найден., Part 1, Volume 1 of the procurement documentation:

- for bank guarantors — requirements applicable to banks;
- for non-bank guarantors — requirements for legal entities providing financial security for the bidder's obligations (similar to the requirements for guarantors);
- in Russian rubles, in euro, in Chinese yuan or in Hungarian Forint;
- RUB 12 400 000,00, VAT exempt;
- EUR 133 000,00 VAT exempt;
- CNY 1 120 000,00, VAT exempt;
- HUF 52 600 000,00 VAT exempt.

In case of a procurement bid bond in Russian rubles, the Beneficiary's bank details are as follows:

Beneficiary: Atomkomplekt JSC

INN: 7706738770

KPP: 770601001

OGRN: 1107746480490

OKPO: 66859391

Bank details:

Settlement Account: 40702810901300004282 with Alfa Bank JSC, Moscow

Correspondent Account: 30101810200000000593

BIC: 044525593

In case of a procurement bid bond in euro, the Beneficiary's bank details are as follows:

Beneficiary: ASE JSC

INN: 7701186067

KPP: 997650001

OGRN: 1027739496014

OKPO: 48546926

— Transit currency account in EUR No. 40702978800007000667;

Bank GPB (JSC) Moscow, Russia, SWIFT: GAZPRUMM.

Purpose of payment: Procurement bid bond for _____ *(name of the bidder, name of the procurement, procedure number on the e-commerce marketplace)*, VAT exempt.

or

JSC ASE Branch in Hungary

Ipari park 4703/40, Paks 7030 Hungary

Registration No.: 17-17-000011

Account IBAN :
HU40 10300002-13307510-00014883.

If a Monetary Bid confirmation in Chinese yuan is provided, the bank details of the Recipient:

Beneficiary: Atomkomplekt JSC
INN 7706738770
KPP 770601001
OGRN 1107746480490
OKPO 66859391
Bank details:
A/c No 40702156100000007613 GAZPROMBANK NAMETKINA STREET 16B
SWIFT Code: GAZPRUMM
BIC 044525823
Correspondent account 30101810200000000823

Purpose of payment: Monetary Bid confirmation _____ (***name of the bidder, name of procurement, procedure number on the online e-commerce marketplace***), VAT exempt.

If a Monetary Bid confirmation in Hungarian Forint is provided, the bank details of the Recipient:

JSC ASE Branch in Hungary

Ipari park 4703/40, Paks 7030 Hungary

Registration No.: 17-17-000011

TIN: 25179398-2-17

Bank details:

Account: HUF

Settlement account No:

10300002-13307510-00014900

Bank name:

MBH BANK NYRT.

CODE (SWIFT):

MKKB HU HB

Account IBAN :

HU66 10300002-13307510-00014900

Purpose of payment: Monetary Bid confirmation _____ (***name of the bidder, name of procurement, procedure number on the online e-commerce marketplace***), VAT exempt.

When simultaneously providing a procurement bid bond and a Bid monetary confirmation, it is allowed to sum up and issue a single payment document. In this case, the purpose of payment shall indicate the following: Procurement bid bond for _____ (***name of the bidder, name of the procurement, number of the procedure on the e-commerce marketplace***) in the amount of _____ (***bid bond amount***), VAT exempt, as well as bid monetary bid confirmation for _____ (***name of the bidder, name of the procurement, number of the procedure on the e-commerce marketplace***) in the amount of _____ (***bid deposit amount***), VAT exempt.

The return of money submitted as bid confirmation is made by tendering authority as stipulated by Part 2 of Volume 1 of procurement documentation.

Monetary confirmation of the bid may be submitted by third parties taking into account provisions of clause 12 hereof with submission a free-form consent of a third party to the terms and conditions of granting, refunding and withholding the bid confirmation.

13) Information on the procedure, including the procedure to document the participation in the procurement and to determine the successful bidder (award procedure):

The procurement shall be conducted on the E-Commerce Marketplace "Fabrikant" online at: <https://www.etpets.ru/> in accordance with the rules and regulations of this ECM and pursuant to the conditions and requirements of the procurement documentation.

In order to participate in the procurement, a bidder shall be accredited by the specified e-commerce marketplace in accordance with the accreditation rules, terms and procedure established by that e-commerce marketplace, and submit a bid by the deadline specified in this Procurement Notice.

The bid shall be valid for at least 180 calendar days following the bid submission deadline.

The successful bidder to be determined by decision of the tendering committee shall be the eligible bidder having proposed the best contract performance conditions according to the set of criteria specified in the Procurement Documentation.

14) Procedure for obtaining Procurement Documentation.

Procurement Documentation is publicly available from the date of official publication. The procedure for obtaining the Procurement Documentation from the e-commerce marketplace shall be determined by the rules of that e-commerce marketplace.

Official publication of documents for this procurement:

- Official Nuclear Procurement Website (<http://zakupki.rosatom.ru>);
- E-Commerce Marketplace “Fabrikant” (<https://www.etpets.ru/>).

The public procurement notice will also be published on the following websites:

- <http://power.globaldata.com/>
- http://www.globaltenders.com/global_tenders_publish.htm
- <http://www.tendersinfo.com/global-energy-power-and-electrical-tenders.php>
- <http://www.tenderskhoj.com/>
- <http://www.cisbids.com/>
- <http://www.tendersinfogulf.com/>
- <https://www.infostores.biz/defencweb/index.php>
- <https://export.tendersinfo.com>

15) Possibility and conditions for alternative proposals: not allowed.

16) Possibility of negotiations: not possible.

17) Possibility of rebidding: possible by reducing the price originally quoted in the bid.

18) Forms, procedure, start and end date of Procurement Documentation clarifications to bidders:

The forms and procedure of Procurement Documentation clarifications to bidders are given in Volume 1, Part 2, Clause 2 of the Procurement Documentation.

Start date of Procurement Documentation clarifications to bidders: September 22, 2025.

End date of procurement documentation clarifications to bidders as requested from the tendering authority: by 11:00 (Moscow time) on October 20, 2025, by 11:00 (Moscow time) on October 34, 2025.

In order to shorten the response time and receive better and more complete clarifications of the Procurement Documentation, the bidder is advised to indicate the following in its request:

- references to the volume of the Procurement Documentation (Volume 1 General and Commercial Parts, Volume 2 Technical Part) and the specific clauses of the relevant volume that require clarification;
- clear and specific question in relation to the clauses in the Procurement Documentation specified by the bidder.

19) Bid submission (bid opening) start date and deadline date and time:

Bid submission start date: September 22, 2025.

Bid submission deadline date and time: 11:00 (Moscow time) October 23, 2025.

19.1) Place, term of submission by foreign bidders, in case of non-signing of the bid with ES for online e-commerce marketplace and failure to provide deposit confirmation, original documents in paper form, according to the requirements of Part 2 of Volume 1 of the procurement documentation; place, date and time of the tendering committee meeting (if there are such envelopes):

Place and time of submission of original hard-copy documents:

- 25 Bolshaya Polyanka Street, Building 1, Moscow, 119180

11:00 AM (Moscow time) October 28, 2025

or

- ASE JSC Branch in Hungary: Budapest, “Duna Tower” 22 Nepfűrdő str, tower C, floor 6. Office hours 08:00 till 17:00 (local time). Contact details: Andrey Nikiforov +36 20 506 87 21.

10:00 a.m. (Budapest time) on October 28, 2025.

Place, date and time of the hard-copy bid envelope opening meeting of the tendering committee:

25 Bolshaya Polyanka Street, Building 1, Moscow, 119180

11:00 AM (Moscow time) October 28, 2025.

- ASE JSC Branch in Hungary: Budapest, “Duna Tower” 22 Nepfűrdő str, tower C, floor 6.

10:00 a.m. (Budapest time) on October 28, 2025.

20) Date of bid review and award:

The selection stage of the bid review shall be no later than November 12, 2025.

The evaluation stage of the bid review and award shall be no later than November 21, 2025.

21) Contract execution deadline: within 20 (twenty), but not earlier than 5 (five) days after posting an award report on the official website and on the e-commerce marketplace, except for the following cases:

actions (inaction) of the customer, tendering authority, tendering committee, e-commerce marketplace operator when conducting the procurement are appealed to the Central Arbitration Committee, anti-monopoly authority or court, in this case the contract execution deadline shall be extended by the number of days of delay;

laws of the Russian Federation require approval of the customer’s management body to execute the contract; in this case the contract execution deadline shall be extended by the number of days of delay;

laws of the Russian Federation or binding legal acts of the federal executive authorities require additional measures for execution of the contract; in this case, the contract shall be executed within 20 days of the completion of the required measures.

Within 4 (four) business days from the date of posting the minutes of tendering committee award meeting, or minutes of pre-contract negotiations on the official website and e-commerce marketplace, or from the date of completion of the above-mentioned actions, the customer shall submit the draft contract to the awardee (successful bidder or sole bidder) made by including the contract performance conditions proposed by the awardee in its bid subject to pre-contract negotiations in the draft contract enclosed with the Procurement Documentation.

The customer shall send the draft contract only in electronic form with a copy of the cover letter to the awardee to the e-mail indicated in Bid Form 1. This letter with the information on the draft contract sent by e-mail shall be sent to the awardee by registered mail with return receipt to the registered office indicated in Bid Form 1.

The awardee shall submit the signed and stamped original contract (in two copies) to the customer within 4 (four) business days following the date when the customer sent such draft contract to the e-mail indicated in Bid Form 1.

22) Contract performance bond: Deadline, conditions and types of contract performance bond according to Part 3 Draft Contract of Volume 1 of the procurement documentation.

23) The procedure of the request for proposals does not represent bidding in accordance with the laws of the Russian Federation.

24) Cancellation of the procurement by the customer's decision:

- before the date and time of the bid submission deadline;
- at any time up until the procurement award,

does not lead to any consequences in the following cases:

changes in financial, investment, production and other programs that have affected the need for this procurement;

changes in product demand, including changes in product properties, subject to approval of such changes by the Customer's CEO;

force majeure circumstances, which are confirmed by a relevant document and affect the expediency of procurement.

need to comply with the prescriptions by the anti-monopoly body and/or the recommendations by the Central Arbitration Committee (CAC) and/or another authorized controlling body;

changes in the laws of the Russian Federation, regulations, issue of acts by the federal executive authorities affecting the possibility and/or expediency of procurement.

The notice of procurement cancellation shall be signed by the CEO of the customer, sent to the tendering authority and posted by the tendering authority on the official website and e-commerce marketplace on the day of the decision by the customer. The date of the decision in the notice of cancellation of the procurement shall be determined by the customer as follows: current date - if a notice of the procurement cancellation will

be sent to the tendering authority on the same day during the working hours of the tendering authority or the date following the date of signing of the notice by the customer's CEO.

25) Name, email of the arbitration committee where actions (inaction) of the customer, the tendering authority or the tendering committee may be appealed:

Court of the EU Member State where actions (inaction) of the customer, the tendering authority or the tendering committee may also be appealed: Commercial Court of Paris (Tribunal de commerce de Paris).

Central Arbitration Committee (CAC) of Rosatom State Corporation — arbitration@rosatom.ru.

Data reliability audit results may be appealed to Rosatom State Corporation's CAC ([arbitration@rosatom](mailto:arbitration@rosatom.ru)), if there are grounds to do so, as prescribed by Part 4 of Volume 1 of the Procurement Documentation.
